UNFINISHED BUSINESS

Jefferson County Fair booth review – Lyn Hersey

Booth was beautifully decorated, 50/50 raffle a success, did not need so many bottles of water.

2027 ideas: name tags, American legion bracelets, Spin a Wheel for kid prizes

License plates – Located license plates. Need to bring sample nails for Bob's okay. He gave instructions as to where to place them. Rich Palmer will assist on ladder. Schedule date and time prior to next meeting.

Halloween decorations in supply room - Jan called Christy Spencer, who said to send her pictures of what we want to give away. She will advise as to whether The Haunt can use them for the event in Elk's basement.

Jim will purchase light fixture for Auxiliary storeroom. Rich will assist installing.

Order new member handbooks.

Review our By-laws and revise if needed.

Need new Secretary.

Table dues discussion for one month.

NEW BUSINESS

Coordinate with Dove House to place an artificial, pre-lit Giving Tree in the Legion lobby. They will find the recipients and gift information for the tags.

Thank you card to Henery Hardware – everyone sign and Jan will hand deliver.

Discuss how to best raffle donated quilt from Linda DeLeo, and possibly another one from Robin Scherting. Not in the same raffle.
